Vol I- Issue I MAY-JULY 2025

From the Principal's Desk

My dear students,

Swami Chinmayananda once said, 'Youth are not useless, they are used less.' These profound words remind us that your potential is vast and waiting to be tapped. Often, society overlooks the energy and creativity of young minds, but Swamiji's words challenge this notion.

You are not 'useless'; rather, you are 'used less' because your talents and abilities are not being fully utilized. It's time to recognize your worth and harness your potential. Your youthful energy, enthusiasm, and innovative thinking can drive positive change in the world.

As you grow and learn, remember that you have the power to shape your destiny. Don't let anyone undermine your capabilities. Instead, strive to be 'used more' – engage in activities that ignite your passions, explore new opportunities, and make a meaningful impact.

Let's work together to unlock your potential and make a difference.

Smt. Priya C Pillai, Principal

"A New Chapter Unfolds..."

Dear Parents, Children and Well Wishers of Chinmaya Vidyalaya, Tripunithura,

Hari Om!! Salutations!!!

As we launch the first edition of our newsletter, we are thrilled to share the stories, achievements, and experiences of our vibrant Chinmaya Vidyalaya community. Rooted in values and illuminated by knowledge, our school continues to nurture the spiritual, intellectual, and physical growth of our students.

Swami Chinmayanandaji's timeless wisdom reminds us that "Knowledge without character, power without principle, and wealth without work are the three greatest futilities." This profound quote underscores the importance of character, principle, and effort – core values that guide our pursuit of excellence at Chinmaya Vidyalaya. In this newsletter, we'll take you on a journey through the diverse facets of our school life, showcasing academic achievements, cultural celebrations, sports triumphs, and community service initiatives. We hope to inspire, inform, and connect with you through our stories and updates. Thank you for your continued support. We look forward to sharing many more exciting developments and achievements in future editions.
