Dear parents,

Hari Om

As students head back into in-school sessions, here's an important reminder about the policy of usage of mobile phones in the school campus.

As you are aware, the Vidyalaya has a strict no-phone policy for its students on campus. Parents are requested to ensure that their wards do not bring mobile phones or other electronic devices to the campus.

We acknowledge that there may be some extenuating circumstances that warrants the use of mobile phones for specific students. In such cases, parents are requested to seek permission for the same, through a letter addressed to the respective class teachers. Parents are requested to provide the reason for their ward's usage of mobile devices and a guarantee that the student will not use the phones, during class hours inside the campus. Such students will be required to surrender their phones to the office before start of class and can collect it from the office at the end of school hours.

Hoping for your complete cooperation in this matter.

Principal
